AMERICAN QUEEN® STEAMBOAT COMPANY

The mighty rivers of the United States of America once served as the great highways of early exploration and inspired dreams of discovery. Today, the American Queen Steamboat Company re-creates the same sense of wonder, excitement and inspiration with all the convenience and comfort of modern luxury aboard three of the largest and most elegant riverboats in the world, the American Queen, American Empress and the American Duchess. Travelling in the wake of legends, guests are transported to an era of leisurely and romantic travel.

REASONS TO SELL

We are committed to helping travel agents succeed, and we are working hard to make U.S river cruising a popular choice for your clients.

Agents earn higher commissions.

All of the inclusions (selected shore excursions, hotel stays, transfers, drinks with dinner) are commissionable.

A unique American experience.

An inclusive river cruise which is a great Add-On to any holiday in the United States.

A wide choice of itineraries.

We cruise the Mississippi, Ohio, Tennessee & Cumberland Rivers and also the Pacific West Coast cruising the Columbia & Snake Rivers.

Casually elegant atmosphere your clients will love. Tell your clients to leave their ball gowns and tuxedos at home and to bring their walking shoes, shorts and hats for the daytime and for evenings - country club casual.

Outstanding cuisine.

Showcasing the varied cultural and culinary influences throughout the regions of America.

Documents Pack to give your clients.

Including cruise tickets, luggage tags & essential travel information.

We're here to help and support you.

In-store training, expos, client functions & more.

GUESTS

- * Well-travelled and wanting to experience a unique style of leisurely and romantic cruising.
- * Usually aged 50 to 70 years with slightly younger guests during summer.
- * People who love history, food, relaxing and music, combined with journeys throughout America's heartland.
