OUR PHILOSOPHY

SMALL SHIP CRUISING AT ITS BEST

The size of our ship allows us to visit harbours other vessels cannot reach, meaning we can offer a broader range of destinations.

OUTSTANDING ITINERARIES

We pride ourselves on the destinations we offer; from the famous sites to the lesser known but equally stunning places, they have all been carefully selected in conjunction with noted historians.

FASCINATING SITES ON SHORE

We believe that your enjoyment ashore is as important as your experience on board. In fact, on many of our Mediterranean cruises, you'll likely spend as much time on land as at sea.

TRAVEL WITH THE EXPERTS

Accompanying you on each cruise are celebrated guest speakers who have been carefully selected for their knowledge of the areas we visit.

UNPARALLELED VALUE

We believe in offering exceptional value for money by including the things that matter most. You'll find that sightseeing tours, land stays and gratuities are extra on many cruise lines.

A GREAT DEAL FOR SINGLE PASSENGERS

Our cruises are an excellent choice if you are travelling on your own. We offer low supplements, dedicated single cabins and a friendly atmosphere on board our small ship - just some of the reasons why so many travel solo with us
